

Building an insect hotel

Instructions No. 1615

Difficulty: Beginner

Working time: 1 hour

Protect our **environment** and build a hotel for our insects! We show you how to build a decorative **insect hotel**. This is not only fun, but offers **shelter** to useful insects like wild bees.

Terracotta-rose pots, 3 pcs, Inside-Ø 10 cm, H 12 cm

3,99 €
