

# Christmas table scene

Instructions No. 2605

Difficulty: Beginner

Working time: 3 Hours

Create an impressive table scene for the Christmas season. Here, the place cards, napkins, tea light glasses and cups match the motif. This tutorial will show you how easy it is.

For the fabric napkin, wash the fabric before working on it so that it is free of finishes and the colour can hold better. Here, iron the colour to fix it after it has dried. Cover the motif with a cotton cloth while doing this.
