

Concrete kitchen roll holder

Instructions No. 2269

Difficulty: Beginner

Working time: 1 hour

Our **kitchen roll holder** is not only practical, but also looks great. Through the casting technique with concrete, you can easily create this **pretty eye-catcher**. The weight of the concrete makes the holder nice and heavy, so that it doesn't fall over easily - which makes it ideal for barbecues on the garden table!

Concrete for creatives, 1,5 kg

11,49 €

(1 kg = 7,66 €)
