

Frühstücksbrettchen aus Holz im Landhaus-Stil

Instructions No. 999

This set with small **breakfast boards** forms a beautiful frame for the flower motives of **Straw silk paper**. Romantically decorated in country house style they are a special eye-catcher on your breakfast table. But if this seems to be a pity, you can also hang the small boards as a picture on the wall and create a small gallery from it.

VBS Breakfast board, 3 pieces
