

Glasses with serviette technique and frost effect

Instructions No. 3165

Difficulty: Beginner

Working time: 2 Hours

Would you like to create creative and unique decorations for your home? With these instructions, we'll show you how to create enchanting glasses using the **napkin technique** and a **frost effect**. This technique is not only easy to use, but also produces impressive results! Whether as a **lantern** or as a **decorative glass** - this technique will give your home a personal touch.

Leave to dry. Wait until the glass is completely dry. This can take several hours, depending on the thickness of the layers

applied.

Fill and decorate: Now you can fill the jar as you wish. Treats, fairy lights or LED tea lights are ideal. Finally, decorate the jar with pretty ribbons, sprinkles and small bells to complete the design.

With these instructions and a little creativity, you can create beautiful, frosty glasses that are guaranteed to turn heads. Visit our online shop to purchase all the materials you need for the napkin technique and frost effect. Start your creative project today and let your imagination run wild!

Experience the joy of crafting and decorating with our extensive range of creative and craft items!
