

# Making a Christmas cot with miniature figures

Instructions No. 873

figures in a white crib, so this one had a very special charm, of course you can create your own colouring or keep it classic.

## Useful tips for making a nativity scene

- Use disposable gloves when gluing on the nativity scene and the figures
- Allow the colour of the glued wood panel for the crib floor to dry thoroughly
- Work on a level surface
- Redrape the nativity scene several times to find the right Position to find for the figures
