

Monster lantern

Instructions No. 189

Difficulty: Beginner

Working time: 45 Minutes

This beautiful monster lantern is both creative and impressive. Not only as a lantern, but also as a great decoration for the children's room. Here it can sit on a shelf or on the bedside table or be hung up like a puppet.

right in a freezer bag, hermetically

hesive tape . Then the papier-mâché

e teeth is cut out. Then it goes to the
