

Plotting butterflies

Instructions No. 2146

Difficulty: Beginner

Working time: 45 Minutes

Butterflies are such delicate creatures and flutter beautifully from flower to flower. Bring these delicate winged creatures into your home. We provide you with a **free file** that you can use to transfer the butterflies to the **plotter machine**. This cuts out the filigree motifs perfectly.

The butterflies are beautiful arranged as a plug, as well as a small decorative element on a card or gift packaging.
