

# VBS Craft kit "Winter children"

Instructions No. 2836

Difficulty: Beginner

Working time: 2 Hours

Let yourself and your children be enchanted by the cute winter children and bring the winter Christmas cosiness into your home. The great figures are also a nice gift idea to make your loved ones a little joy. You can decorate the 5 pieces winter children craft kit as you like in classic Christmas colours or in subtle winter colours.

In addition to the materials included in the craft kit, you will need a sharp scissors, hot glue and, if necessary, a disappearing ink pen. You should also have a needle and thread ready for the fabric faces.
