Instructions No. 1989

Difficulty: Beginner

Working time: 2 Hours 30 Minutes

Once upon a time there were **10 little gnomes** waiting to be designed by you, to make themselves comfortable in your home. The little **cone men** prefer to sit on the windowsill or the chest of drawers. You can also give away the cute little fellows as a present and give your loved ones such a pleasure. In our set everything is included to create 10 cone elves. You only need hot glue, scissors and one for the Fineliners faces. The finished gnomes measure a size of about 12 cm.
